

Gentle Reminder For Creating Awareness Among the Internship students

Madam/Sir,

I am directed to inform you that the National Commission for Homoeopathy is conducting a survey in collaboration with Regional Research Institute of Homoeopathy, Guwahati among the B.H.M.S. students who are undergoing internship training.

It is requested to create awareness among B.H.M.S. Internee students to participate in this online cross-sectional study on 'KNOWLEDGE, AWARENESS, ATTITUDE, PRACTICES AND PERCEIVED BARRIERS ABOUT SCIENTIFIC RESEARCH AMONG HOMOEOPATHY INTERNS IN INDIA'.

This questionnaire for online survey is prepared to assess the Knowledge, awareness, attitude, practices and perceived barriers about scientific research among interns of homoeopathic medical institutes across India. The responses will be kept strictly confidential and data collected will be used only for academic research purposes. Participation in the study is voluntary and submission of response itself will be interpreted as informed consent to participate. Students who have completed the final BHMS and presently continuing their internship can participate in this survey.
